

# Welcome to Edward Murphy School's Curriculum Night

We are very happy to be meeting with you **virtually** on **September 23, 2021** to present the wonderful things going on in our school. We will be using a virtual platform for Curriculum Night. There will be 2 presentations on your child's **Google Classroom platform** in order to accommodate families with more than one child. Your child has already received an EMSB username and password (see student agenda). Please ensure that your child has connected to their Google classroom by accepting the invitation sent by **ALL** teachers (specialists included). **It is imperative that you accept the invitation and navigate through this platform in the event that confinement reoccurs.**

6:30 p.m-7:15 p.m First presentation

7:20p.m-8:05 p.m Second presentation

Below are the teachers' names and classroom numbers. You will also find the contact information for all teachers. Feel free to email any of our staff members for further questions if you cannot login that evening or have questions for our specialists and resource teachers. Parents will meet with the homeroom teacher on Curriculum Night. Specialists (Physical Education, Mathematics, Resource teachers) will also be available during these time slots for a quick introduction. If you want to meet the specialist during these time slots kindly email ahead of time in order to open the chat room. We encourage you to keep this document for future reference if you need to contact your child's teacher throughout the year.

Wishing everyone a pleasant and informative evening!

## Teaching Staff Email Addresses

Homeroom	Room #	Teacher Name	Email Address
Pre K/KA	120	Claudia Salerno	<a href="mailto:csalerno@emsb.qc.ca">csalerno@emsb.qc.ca</a>
