1. MANDATE

The English Montreal School Board's B.A.S.E. (Before and After School Enriched) Daycare Program is a Quebec government subsidized supervision service offered outside regular class hours for preschool and elementary school children. Its objective is to enhance the lives of children ages 4-to-12 years old by providing them with enriching educational activities.

The B.A.S.E. mandate is fulfilled as follows:

- Provides a welcoming and nurturing environment that ensures the safety and general well-being of the children served;
- Contributes to the achievement of the school's commitment to success plan;
- Promotes a culture of student success by coordinating activities and recreational projects pertaining to the six educational cores: Homework and Snack, Creative Arts, Media Awareness, Physical Activity, Environmental Consciousness and Specialty Programs, such as those tailored for children with special needs. All of these programs contribute to the children's overall development.
- Encourages the development of the children's social skills, such as respect, cooperation and openness to others;
- Offers homework support after school by providing students with an appropriate place in which to work and the time and materials they require;
- Builds a professional learning community that contributes to early childhood education and care by enhancing the competencies of the daycare staff through continual professional.

2. THE B.A.S.E. EDUCATIONAL CORES

The B.A.S.E. Daycare Program forms partnerships with universities, not-for-profit organizations and extracurricular activity companies to offer a full range of enriching programs to students at no additional cost to parents. These activities can take place during all daycare periods—morning, lunch and after-school—and are usually offered through three sessions of eight to 10 weeks. **These specialized activities vary from daycare to daycare and complement what the daycare educators are already facilitating with their group of students.**

The six B.A.S.E. Educational Cores are:

- Homework and Snack
- Creative Arts
- Physical Activities
- Media Awareness
- Environmental Consciousness
- Specialty Programs

If you choose to pay your daycare fees online, please inquire about the procedure with the daycare technician.

B. LATE PAYMENTS

Late payments are unacceptable. The daycare technician will write a letter to the individual concerned. The individual will have a maximum of five (5) days to respond. If the individual fails to respond within five (5) days, the principal and daycare technician will schedule a meeting with him/her to discuss the outstanding debt and make arrangements for payment. D. TAX RECEIPTS

At the end of February, the main payer of the daycare fees will receive their tax receipts for the fiscal year via Mosaik. E. DROP-OFF AND AFTERNOON PICK-UP PROCEDURE

It is the responsibility of the parent to ensure that his or her child enters via the **daycare entrance in the morning** when being dropped off, **on Rue ARCAND East side of school building**.

- Please use the same daycare entrance for afternoon pick-up as you do for morning drop-off. **Parents are not be permitted to walk past the daycare entrance for security reasons.** A daycare educator will call your child and he/she will be reminded to bring down all his/her belongings. He/she will not be permitted to go back upstairs to pick up any forgotten item.

If your child is to walk home at any given time, parents must send written authorization to the daycare. **(The parent must sign the note. The note must state the date that the child is permitted to walk home and that the daycare is not responsible for the child once he/she leaves the building).**
- If the student is an occasional walker, then it must be indicated on his/her Daycare Registration Form.
- Due to the number of students in the daycare and for safety reasons, we will not accept telephone calls requesting that children get ready and be sent home by themselves if it's not indicated on the Daycare Registration Form.

9. HEALTH

A. NUTRITION

Daycare students are provided with a nutritious snack every day after school as per the EMSB Nutrition Policy. If your child has any allergies, please provide them with a snack from home. We cannot guarantee that the snacks are purchased from nut-free facilities.

B. ALLERGIES

Allergies or other health problems must be clearly identified by parents on the Daycare Registration Form. Please ensure that the school is provided with an Epi-Pen, if needed. If your child develops an allergy during the school year, the daycare staff must be notified immediately.

C. ILLNESS

We cannot accept students at the daycare who show symptoms such as vomiting, fever or diarrhea. If such a situation arises, we will immediately call the parent to come pick-up their child without delay.

D. MEDICATION

Administering medication to children is a parental responsibility. In order for daycare staff to administer medication, the following must be respected:

- A doctor must prescribe the medication. Under no circumstances will non-prescriptive medication be administered.
- The container must have a legible prescription containing all pertinent information.
- An *Authorization to Administer Medication* form needs to be dated and signed by a parent or guardian at the school level. The medical form must be submitted with the medication.

Parents must inform the main office before their child enters the school premises that the above procedure has been followed.

E. INJURIES AND EMERGENCIES

It is inevitable that students will have accidents, but with supervision and preventative measures in place, our daycare will make every effort possible to avoid injury.

Procedures for notifying parents are as follows:

- Head injuries: If a child hits his/her head, however minor it might be, the child's parent will be notified by telephone.
- Head Lice: As per school policy, the child will be sent home so that a treatment can be administered. He/she will be permitted to return once all the lice and nits have been removed.

If there is a medical emergency or a serious accident, daycare staff will take the necessary measures (administer an EpiPen, call 911, give First Aid). Daycare staff will inform the parent at the earliest possible moment. If transport by ambulance is necessary, the parents will incur the fees.
