

# Edward Murphy

## MARCH NEWSLETTER

### Early Dismissal Procedures

Parents are reminded that the school must be advised of an Early Dismissal via the student agenda or with a phone call in the morning. Unless it is an emergency, parents are not to show up without having advised the the school in the morning. Afternoons are very hectic, particularly after lunch, therefore we ask for your cooperation in this matter. All school procedures can be found in the student agenda.

### March 22nd

PAAlthough originally scheduled as a pedagogical day, please be advised that this day is now a **regular school day**. The pedagogical day originally scheduled for this date will now be held on **April 8th**. A letter from the school board to this effect was sent to you as well.

### What's In This Month's Newsletter?

- Early dismissal procedures
- March 22
- Grade 6 exams
- Pizza Fundraiser
- Spotlight on Preschool

### Grade 6 Final Exams

Grade 6 students will be writing obligatory exams in May & June. Please take note of the dates and ensure your child/children are not absent on these dates as there will not be extra time to complete the exams in the event of student absences.

English Language Arts: May 21st to May 31st

French: April 25th to May 7th

Mathematics: June 11th to 13th

I ♥  
PIZZA

## Pizza Fundraiser

Following the break, you will receive order forms for our final pizza days (MARCH, April, and May). IF you would like to order pizza for your child/children, please ensure you complete the form and return it with the proper amount of money in an envelope with the child's name. Please note that change will not be provided therefore parents are encouraged to provide exact change.  
On behalf of the students, thank you for your continuous support.

Every month, this section of our newsletter will highlight a cycle, grade, or special project occurring at Edward Murphy.

## Spotlight on Preschool

This month, the Preschool students explored all things Cabane à sucre / Sugaring off. They learned about how maple syrup is made, what a traditional meal looks like and created many crafts around this theme. To finish it off, they were immersed into the real experience! Yummy yummy in our tummies! 😊
