Reusable Utensils

During the previous school year, we were fortunate to receive a grant for a project we submitted. Through this grant, we were able to purchase a set of reusable utensils for the students. Each student will be given a set of utensils at no charge. Please ensure your child's name is indicated on the box. PLEASE NOTE: there will be a charge for a replacement set of utensils should it be required. Cost for a replacement set is \$5.

Workbook, School, Lunch Fees

Parents are asked to please ensure prompt payment of all fees. All fees go directly towards student supplies: workbooks, agenda, Physical Education t-shirt, consumable supplies, as well as lunch time supervision. Parents registered for Daycare will also receive monthly invoices for Daycare services. Payment can be made via cash or cheque. Daycare and lunch fees can also be paid online.

If you would like to make a payment arrangement, please contact Ms. Dolores at the Main Office.

Road Safety

Please take a moment to review the attached documents regarding road safety as provided by our Socio-Community officer, Mr. Scalzo.

Tshirts & Sweater

Included in the school fees is a Physical Education t-shirt as well as an Edward Murphy sweater.

These items will be distributed to students shortly.

SERVICE DOG
