

February

Email Unsubscribe

Edward Murphy as well as the EMSB use the School Messenger platform to send mass communications to our parent population. Unsubscribing from one will automatically unsubscribe you from both. Therefore, by choosing not to receive EMSB emails, you will also be removed from Edward Murphy emails. If someone you know no longer receives emails from Edward Murphy, please ask them to contact the school so that we can verify if they have unsubscribed or if there is an error in the email address we have on file.

Parking / stopping in front of the school

Pierre de Coubertin street, directly at the front of the school, is a no parking/stopping area on school days for the entire day. This is also a student drop off and pick up for our minivan buses. Parents are asked not to stop in this area when dropping off their children to avoid interference with the transportation. Also, please be reminded that you can be ticketed if stopped in that zone.

In addition, when dropping your children off anywhere around the school, please be mindful that there are many other students who are making their way to school. When driving away from the school, please do so in a careful and cautious manner to avoid any accidents.

Parent Teacher Meetings

In the coming weeks, our second Parent/Teacher meetings will take place. As usual, these meetings will be virtual and by invitation only. You will receive a letter inviting you to make an appointment via Bookings. Should you receive an invite to meet with your child's teacher(s), please make every effort to do so.

Pizza Day

As indicated on the February calendar, our next pizza day will be held on **Wednesday, February 19th**. An order form will be sent to families shortly.

Thank you

Thank you to everyone who participated in our jam fundraiser. PPO has begun calculating sales; we will be able to share school profits with you shortly. Thank you to the PPO for taking on this task.
