Daily Self Care Skills Practice Materials

These materials will be used daily in our life skills sessions with the goal of learning self care life skills. This includes but is not limited to, learning self-care and independent skills by cleaning up after meals and activities.

- Disinfecting Wipes
- Kleenex
- Paper towel
- Hand Soap
- Wipes (Huggies/Pampers - For washroom Accidents, and self care cleaning)

*** If students would like to and would benefit from having some of their own personal items from home to reduce anxiety and increase their comfort and security they are welcome to bring 1-2 favored books, 1-2 favored toys/puzzles (for independent activities or play). Students are also welcome to bring their own *noise reducing headphones* or yoga mat if they prefer to have guaranteed use at anytime, however the school does have a supply of them for shared classroom use. **Please no noise producing fidget's, no plush toys, no blankets or pillows. If these are sent to school they will be set aside and returned home.**
