Edward Murphy NEWSLETTER

Smartwatches/Gum

Parents are reminded that electronics, including but not limited to smart watches, of any kind, are not permitted in school. Watches of this nature are a distraction for students and will not be replaced by the school in the event of loss. In addition, please be reminded that gum chewing is also not permitted in school. If you are unsure of what can and cannot be brought to school, please review the information on page 4 of the student agenda.

Spring has arrived leaving our schoolyard very muddy. Please ensure your child/children have indoor/outdoor shoes. This is especially important on days when your child has P.E.

Dress Down Day

In honour of Autism Acceptance month, we will be have a Dress Down Day on Tuesday, April 2nd. Students can dress in their favorite colour from head to toe. We are asking students to contribute \$2. The funds will go towards our Fun 15 project and/or other initiatives which support Autism.

Lunch Monitor 2024-2025

If you, or anyone you know is interested in being an EMS lunch monitor during the 2024-2025 a school year, please contact Ms. Joanne in Daycare at (514) 259-0050 for more information.

We look forward to welcoming new people to our Edward Murphy family.

Brigadier

On behalf of our socio-community officer and local poste de quartier, please see the attached information for anyone interested in a role a brigadier/crossing guard.

Every month, this section of our newsletter will highlight a cycle, grade, or special project occurring at Edward Murphy.

Spotlight on Wings 1&2

In honour of April being Autism Acceptance Month, this month's spotlight will be on our Wings classes.

This month, the students in Wings 1 received a visit from their furry friend, Monsieur Moustache, during their pet therapy! They adored holding and petting him.

Wings 1 students also began learning about the solar system. So far, they read books, watched videos, drew the planets to decorate their class bulletin board, wrote acrostic poems on their favourite planet, and even made their very own "moon dough!" Ms. Pam

Welcome to WINGS 2! We have 7 amazing students in our class. We are happy to introduce all of them! Olivia is 10 years old, she wants to be a chef when she grows up. Connor is 9 years old and loves reading, especially Diary of a Wimpy Kid. Brandon is 12 years old and his favourite treat is McDonald's. Ziyad is 11 years old and his favourite thing to eat is a chicken burger. Adarm is 12 years old and loves taking the metro. Ayla is 9 years old and loves strawberry milk Joey is 10 years old and can remember everyone's birthday!

We love working on our special projects and activities, and especially enjoyed a visit recently from Mr Moustache the bunny during our sessions of Pet Therapy. **Ms. Alana**

Working in the WINGS class has been an awesome experience. When you believe you are teaching them, they are teaching you. The children demonstrate their awesomeness through love, compassion, and patience. Helpling them to achieve their wings is the least we can do. **Ms. Joyce**
