JANUARY NEWSLETTER

AM Dropoff

Parents are reminded that there is no parking / stopping on Pierre De Coubertin street on the school side. This area is reserved for the dropoff of students from the Transco minivan dropoff ONLY. This side of the street can be used for dropoffs after 8AM only. Further, if you are parking across the street on Pierre De Coubertin (in front of the park), please ensure you walk your child(ren) across the street to the school yard entrance.

School Start Time

Please note that the school day begins at 7:55 and students are expected to be in school at that time on a regular basis. While the school bus strike is disruptive, it is important that students be in school on time to ensure a smooth start to their day. We thank you for your cooperation on this matter.

Spotlight on Cycle 3

Les élèves de 6e année prennent plaisir à partager leurs souvenirs d'hiver les plus marquants.
Mme. Alana

The grade 6s had a fun time performing their drama circles in front of their peers. They learnt their lines well, worked as a team, were animated and expressive and above all had fun and some laughs. Ms. Kim

Games have an educational value and were used in LC1 classroom to promote learning and language. Playing the games enabled students to build their vocabulary and cooperation skills in various ways. Students in LC1 class were motivated to present and explain their game. They had a blast playing! Ms. Ida
