## Lunch Fees

Parents are reminded that lunch fees are payable immediately. These fees are used to ensure we have lunch monitors for sufficient lunch supervision. ## Chocolate Fundraiser

Edward Murphy parents and guardians recently received a letter regarding our first fundraiser of the year: Laura Secord chocolate. We hope you will participate in great numbers! The return for the school is over 50% of the cost of the box. With this money, we can continue to offer Edward Murphy students fun activities and field trips all year long. Kindly complete the form and return with payment to your child's Homeroom teacher. If you have not received the form, please contact your child's teacher or the Main Office for a new form. **On behalf of the Edward Murphy students, we thank you for your generosity!**

Every month, this section of our newsletter will highlight a cycle, grade, or special project occurring at Edward Murphy.

## Spotlight on Cycle I

All of Cycle 1 attended the Teddy Bears' Clinic on October 30th. It was conducted by McGill students who volunteered to organize 10 different stations in which the students performed different health tasks on the teddy bears. Students got to experience being a nurse, doctor, surgeon, radiologist, pharmacist and dentist during this time. A big thanks goes to Mr. Rocco who made this educational and memorable event happen.

Dans la classe 1C nous apprendrons à lire avec tous nos sens.

Ici sur ces photos, les élèves nous montrent la gestuelle des lettres A, M, I, T et Y. Nous aimons beaucoup bouger en apprenant ! Apprendre à lire c'est amusant !

En lien avec Halloween, les élèves de 2C ont travaillé en équipe sur des personnages imaginaires épeurants. Ils ont appris à distinguer la description physique et le caractère. Beaucoup d'imagination !
