September 8, 2023

Good afternoon EMS families,

Please be reminded, as indicated on the school calendar, that our **Governing Board General Assembly and Curriculum Night** will be held on **Friday, September 15th**. This evening is for parents only. Students are not expected to attend.

Welcome & General Assembly (Gym): 6:30p.m.

Teachers will then give 2 separate 30-minute sessions
(Session 2 is a repeat of session 1.

This allows parents to meet with the Homeroom teachers of other children in the school):

Session 1: 7:05-7:35 p.m.

Session 2: 7:40-8:10 p.m.

The General Assembly is to elect interested parents onto the Edward Murphy Governing Board. There are 3 open positions available; each position is for a two-year term. Please join us to present your candidacy or to elect parent representatives for this year's Governing Board.

During Curriculum Night parents/guardians will receive information on the curriculum, homework, evaluation, and general class organization and expectations. It is not the occasion to ask specific questions about your child, but rather to gain a better understanding of the students' life while at school. You can always reach out to teachers via email or the Google classroom for any specific questions or concerns you may have. Please make an effort to attend this evening since the information you will be receiving will benefit both you and your child.

Teachers will meet you as follows:
